Dignity U Wear  
C/O Thompson's Child Development Center

To Whom It May Concern:

*Just a quick little note to say "thank you" for the generosity Dignity U Wear has shown my family. I am a single mother of two small boys and my family and I have been so very fortunate to benefit from your program on many occasions. Below, please find just a few examples of how your program has touched our lives.*

*Two summers ago, one of my boys needed new shoes because his sandals were falling apart. I had tried gluing them together several times but the glue just would not hold. I was not in a position financially to buy new shoes so I kept trying to glue the shoes together. As luck would have it, Dignity U Wear was offering clothing to the families at Thompson's Child Development Center. Luckily, I found a new pair of Keds for my son - - just the right size, too. It was surprising to find the right size because he wears a "wide" shoe and the wide widths are often difficult to find.*

*Most recently, my family benefited from the generosity of Dignity U Wear when the program was offered again to the families at Thompson's. I was able to find "big boy" underwear (with cool action heroes) and dinosaur pajamas. Of course, batman and spiderman underwear were a big hit with the boys, which made Mommie very happy too! As for the dinosaur pajamas, they have been a favorite since the first time the boys put them on. At bedtime, they are always asking for the dinosaur pajamas!*

*The generosity of your organization has meant a great deal to me and my family. I am truly grateful for the kindness you have extended to me and my family. According to an ancient Chinese Proverb, a bit of fragrance always clings to the hand that gives roses. Thank You Dignity U Wear for the roses you have given to my family.*

Warm Regards,

The Ross Family
